

Bulkley Valley – Lakes District
Airshed Management Plan
Coordinating Committee

Greetings,

RE: First meeting of the Bulkley District Community Working Group

This invitation is being sent to all those expressing interest in participating on the Bulkley District Community Working Group (CWG) for the development of the new Bulkley Valley-Lakes District Airshed Management Plan. The first meeting is scheduled for:

Thursday, March 27, 2003 from 7:00 pm to 8:30 pm
at Northwest Community College – Forestry Training Centre
3966 2nd Ave, SMITHERS

The first meeting will be 1 – 1.5 hours long, depending on the number of participants at the meeting. The agenda will be as follows:

1. Welcome and Introductions
2. Expectations/Interests for each CWG participant.
3. Overview of the BVLD Airshed Planning Process (15 minute presentation by Christine Rigby, Air Quality Meteorologist with MWLAP)
4. Building a framework for how the Bulkley District CWG will operate: please come prepared to discuss preferred meeting formats, times, locations, and resources needed.
5. Next meeting and agenda.

Light refreshments will be served at this meeting but we invite you to bring a lunch. An Orientation Kit will be provided to you either before or during this first meeting consisting of:

- A list of the CWG members for your district
- A Backgrounder document summarizing key airshed management concepts and resources available to support our work.

Please confirm your attendance at this meeting if you have not already done so by contacting the Footprint office (process facilitators) by phone (250)847-1672 or e-mail to: info@bvldamp.ca.
