2021 Wood Stove Exchange Program

The Bulkley Valley Lakes District Airshed Management Society wants you to be warm, healthy and efficient heating your home this year and in the future. This means making an informed choice for heat, seasoning your wood, installing, maintaining and repairing your home heating appliances.

We have **rebates** and **resources** to:

- move from an uncertified wood burning appliance to a qualified appliance
- move from an eligible stove, fireplace, boiler or furnace to a qualified appliance
- build a woodshed, provide tips on seasoning, storage and usage
- repair and maintain a qualified heating appliance
- assess a home and investigate and install a qualified heating option, we take referrals and we'll help you thru it!
- build a cheap home air filter
- install, use or understand air quality monitors and readings

Conditions apply:

Qualifications are stated on the chart below.

Appliances that can be changed out do not meet the EPA 2020 standard.

Cash back refund amounts vary.

Refund program lasts while funding permits.

Old appliances are recycled or decommissioned and proof is provided. New appliances are EPA certified wood appliances or otherwise meeting the standard. New appliances are installed using WETT principles and proof is provided.

Only 1 rebate per household.

## Wood Stove Exchange: Did you know...

- the Building Permit Fee is waived in Smithers, value \$35
- building inspections are no longer necessary if the stove is WETT inspected
- the BVCU still has zero interest loans for purchasing EPA certified appliances
- there are no landfill or recycling depot fees at any location
- the BVLADAMS is a non profit society, responsible for implementing the Clean Air Plan of 2012 signed by Bulkley Valley and Lakes District stakeholders in clean air. Membership is free!

Home Heating Options Qualifications	Going from this option: Do I Qualify for an AMS Rebate?	Moving to this option: Do I Quality for an AMS Rebate?	rebate value	standard to meet
electric boiler	N	Y	\$500.00	CSA B415.1-10, 95.4% AFU
geothermal system	N	Y	\$500.00	
heat exchanger	N	Y	\$500.00	CSA C656-14 (M92), Energy Star, Enerchoice
solid fuel - pellet stove	Y	Y	\$500.00	"Canadian standard" means "CSA B415.1-10, EPA 2021
solid fuel - wood stove	Y	Y	\$250.00	"US standard", EPA 2020
solid fuel fireplace insert	Y	Y	\$250 or \$500	EPA 2020, Enerchoice
solid fuel or pellet boiler	Y	Y	\$250.00	Combustion efficiency must be $\geq 80\%$ , CSA B415.1-10, 95.4% AFU, or EPA 2020
solid fuel wood or pellet furnace	Y	Y	\$800.00	CSA B415, EPA 2020

2021/22 **Wood Stove Exchange Rebate**
