

## bulkley valley - lakes district airshed management society

### **Become an Event Volunteer!**

You can join our BVLD Airshed Management Society and become an Assistant Event Coordinator, or just come out for a pre-event work bee, or during the event itself. The 2006/2007 Events are as follows:

Clean Air Day	June 7, 2006
Annual AGM and Community Forum	June 15, 2006
BV Exhibition and Fall Fair	August 24 - 27, 2006
Workshops	Ongoing – call for details
Fundraisers	Ongoing – call for details

#### **Assistant Coordinator positions**

- Creative coordinator (event vision, design and ambiance)
- Education coordinator (develop or order educational materials to give away or display)
- Volunteer coordinator (orientation for booth staff and coordinators, scheduling, and payment)
- Hardscaping coordinator (build, borrow or buy items identified by Creative Coordinator)
- On-site event manager (roll with the punches to ensure event matches vision)

#### **Volunteer Rewards**

Community volunteering has its own rewards – meeting great people and knowing you are helping to make our community a great place to live are high up on the list for everyone. The Airshed Management Society also offers free admission to events, plus a cash reward or gift depending on the wish of the volunteer and the level of service offered. For example, volunteers for the Fall Fair and pre-Fall Fair work bees will receive a free 4 day adult or family pass plus a gift of \$50 based on the requirement of 8 hours. New members of the Society or volunteers working during any event must attend a 30 minute orientation session. Volunteers interacting with the public must also be familiar with the Clean Air Plan and other educational materials in the booth.

#### **Dates and Hours of Exhibition**

Thursday, August 24 10 am - 9 pm

Friday, August 25 10 am - 9 pm

Saturday, August 26 10 am - 9 pm

Sunday, August 27 10 am - 4 pm
