

Wood Burning Workshop

BURN IT SMART!

FREE

cleanairplan.ca

Town of
Smithers

“This is a workshop on technology,”
Zigi Gadomski, President of the
Wood Energy Technicians of B.C.
(WETTBC).

Learn about:

- ▶ Wood heat options
- ▶ Planning, installing & maintaining a wood heating system
- ▶ Selecting and locating a chimney
- ▶ Firewood
- ▶ Insurance
- ▶ How you can get up to \$900 for exchange of your non certified wood burning appliance

Bring a piece of wood from your woodpile and we will test it for moisture content. Door Prizes.
